MyEd BC: Course Selections
"Student Portal"

Course Selections happen using the MyEd BC Portal and it can be accessed by students and their parents/guardians. Here is a guide to show you navigation elements and help you through this process:

1 Navigate to the '**My Info'** tab or click on the student name. You are looking for the '**Request'** option on the sidebar.

2 Read the '**Instructions'** section carefully to ensure you know your requirements and options for next year.

3 To check the status of your BC Assessments or your current credits, you can use the '**Transcript'** button in the sidebar.

4 The 'Primary Requests' section allows you to **select** courses and **read** course descriptions for different subject areas. **Click** the courses you want to add and refer back to the 'Instructions' to ensure you have the right number of courses.

5 **IMPORTANT**: Do **not** hit the 'Post' button or you will lock up your course selections.

'Log Out' to conclude your session.
